Aircraft Charter Standard Terms & Conditions

JetOne's charter representatives are available 24 hours a day, 7 days a week at **720.595.0999**

These Terms & Conditions are incorporated by reference into the charter trip quote or other charter agreement that is offered to you by JetOne Aviation, LLC and these become part of the contract of charter carriage that is established by your acceptance of the charter trip quote or other charter agreement. You as our customer (Customer) are responsible for ensuring that every passenger receives the passenger notices set out in these Terms and Conditions.

APPLICABILITY TO CHARTER SERVICES

These Terms & Conditions apply to each charter trip that JETONE is contracted to provide you, whether such flight is operated by JETONE or by another JETONE approved air carrier, which will be identified for Customer in advance of each flight. In the event of a conflict between these Terms & Conditions and the trip quote or other charter agreement between you and JETONE, then the specific provisions of the trip quote or other agreement will govern over the general provisions contained here.

BOOKING, CONFIRMING & CHANGING FLIGHTS

Booking Flights. To begin planning your next trip, please contact JETONE's charter representatives by phone at **720-595-0999**, or online at <https://www.jetoneaviation.net/>, to obtain a charter price quote. Pricing provided in JETONE's charter quotes are valid for forty-eight (48) hours. Quotes are not binding until (a) Customer accepts the offered quote and (b) JETONE then is able to confirm the aircraft and crew. JETONE's performance also is subject to the receipt of timely payment from Customer. Failure to make timely payment may result in suspension of the charter flights.

Catering. Standard aircraft stock (snacks and beverages) are included on all flights arranged by JETONE at no charge. Additional food items may be ordered at Customer's request and expense, subject to market availability and suitability of aircraft equipment (e.g., oven or microwave for cooking or reheating).

Confirmation of Flights. Itineraries will be considered confirmed when Customer communicates the desire to book the flight with JETONE and the booking is confirmed by a Customer Services Manager via email, phone or facsimile. Customer will be sent a detailed itinerary for booked flights.

Passenger Manifest Changes. Only manifested passengers (and their baggage) are permitted on board the aircraft. To avoid departure delays, passenger manifest changes must be communicated in advance by calling **720-595-0999**. **Other Changes.** JETONE's charter quotations are subject to the aircraft owner's approval, crewmember availability and JETONE's operational approval at the time of flight booking. If a booked aircraft later becomes unavailable due to a mechanical problem, aircraft owner approval retraction, or a scheduling conflict; JETONE will provide Customer (excluding Customers served by a third-party broker) an equivalent aircraft or better for replacement.

PRICING & PAYMENTS

Regular Pricing. The price quoted is guaranteed once aircraft availability and owner approval are secured and the trip is confirmed. (Special requests are honored when possible but are not subject to guaranteed pricing.) The quoted price excludes additional trip expenses, such as Wi-Fi access and flight phone charges, etc., and international and helicopter charter flights, which are billed based on actual flight time (or trip minimums). If requested, JETONE will provide an estimate for these charges. Please note the following pricing terms:

- All prices are stated in U.S. dollars (\$).
- There is a two-hour minimum flight charge per 24-hour period on all trips unless otherwise agreed upon in writing between JETONE and Customer.
- When applicable, additional charges apply, e.g. for international fees and taxes (estimated at the time of quotation but billed to Customer at actual cost), customs and immigration charges, catering, flight phone use, ground transportation (including a 10% service fee), hangar, de-icing, airport landing

fees, ramp or parking fees, unforeseen flight diversions, supplemental crew expenses, aircraft security fees, etc.

- All flight itinerary changes are subject to review, approval, and pricing revisions as aircraft availability, aircraft performance and operational limitations, crew duty time restrictions, government permits, extended airport hours, etc., are reevaluated and secured. These changes may affect the original charter quote. JETONE will provide an updated price quote detailing itinerary changes upon request.

Fuel Surcharge. Price quoted includes an estimated fuel surcharge which may increase or decrease. The actual fuel surcharge cost will be billed once determined.

Payment, Time & Manner. Payment for all charters and auxiliary services are due within three calendar days from the invoice date. Payments should be remitted to JETONE by one of the following methods.

1. Electronic Payment Wire Transfer:

JetOne will provide the wire instructions by separate email.

2. Check Payable to the Order of "JetOne Aviation, LLC." and sent by Overnight Courier to:

JetOne Aviation, LLC

Advance Deposits. If Customer has deposited funds with JETONE pursuant to a written agreement that contemplates multiple charter trips, JETONE will use the funds in Customer's account to pay for services provided. If the deposited funds are insufficient to cover the estimated costs of an upcoming charter trip, JETONE may require the Customer to deposit additional funds so that the funds are received and available at least 72 hours prior to the planned departure.

Payment, Late Fees. Late fee charges of 1.5% per month (18% per year) or the highest legal rate, whichever is less, may be assessed on all past due invoices. In the event of default which requires third party intervention to collect, Customer agrees to pay all costs of collection, including out-of-pocket expenses, plus attorney fees, regardless of whether a formal court proceeding is filed.

Third-Party Invoices. Customer may receive additional invoices for charges originating from a third party, such as flight phone use or ground transportation.

CANCELLATIONS

To cancel a trip, you must call 720-595-0999. In all cases, Customer is responsible for any amounts due as compensation for the partial completion of an itinerary, including but not limited to the costs of positioning the aircraft and returning it to its base. Unless otherwise agreed to in writing between JETONE and Customer, all booked trips will be subject for the following cancellation fees.
