OUR DISCLAIMER

JETONE AVIATION LLC is a charter broker with a global digital jet charter marketplace and is not a direct air carrier. All flights advertised to which JETONE AVIATION LLC has access are owned and operated by a properly licensed third party air carrier with Part 135 and Part 121 authority from the Federal Aviation Administration (or other appropriate authority under US or foreign law) and Department of Transportation. JETONE AVIATION LLC is fully compliant with US Department of Transportation part 295 and 298 Charter Broker rules. JETONE AVIATION LLC does not carry additional liability insurance. Passengers are covered by aircraft operator insurance.

All charter flights for aircraft manufactured by Bombardier Learjet 55, N717EB, are flown by NATIONAL JETS. They are the direct air carrier for JETONE AVIATION LLC and JETONE AVIATION LLC is only an air charter broker and owner of aircraft N717EB. NATIONAL JETS, has full operational control of the flight. Aircraft N717EB owned by JETONE AVIATION is operated under FAA Part 135 through NATIONAL JETS, Air Carrier Certificate #JKIA235F.
